HOLY AVOCADO! GUACAMOLE!

Holy brings you the best of both worlds in a retail-ready format: premium Hass avocado with the convenience of frozen. No cutting, no peeling, no waste. Just perfectly ripe avocado, ready whenever you are.

And now, there's even more to enjoy. Discover our brand-new avocado appetizers! From crisp coatings to avocado-filled goodness, they're the perfect way to snack with all the goodness of avocado.

Holy offers a versatile range of avocado products:

-  Holy Avocado mini halves: perfect for quick snacks, meal prepping, or elegant plating.
-  Holy Avocado cuts: ideal for fresh salads, sandwiches, wraps, and sushi rolls.
-  Holy Avocado chunky pulp: great for toast, smoothies, and any dish that needs rich avocado flavour without the hassle of peeling or smashing.
-  Holy Avokatsu bites: the ultimate crispy avocado snack. Perfect as an appetizer, side dish, or party favourite.
-  Holy Avocado edamame burger: a plant-based burger ideal for barbecues, buns, or wraps.
-  Holy Guacamole is made with 95% Hass avocado and a delicious seasoning mix. It delivers a smooth yet chunky texture for that homemade feel. Simply thaw and serve as a dip, spread, or topping. Perfect for burgers, tacos, nachos, baked potatoes, and more.

Our avocados are individually quick frozen (IQF) at their optimal ripeness. This locks in taste, texture, nutrients, ensuring consistent quality and maximum flavour.

Holy Avocado cuts and mini halves are perfectly portionable, thaw just what you need: a few cuts for toast, a mini halve for lunch, or the whole pack. Just like our chunky pulp and guacamole, 250g of pure joy, ready when you are.
